

SEALINE S24 FOR SALE £32,950

SEA VIXEN, a Sealine S24, is a stylish sports motor cruiser that has all the power and practicality of a larger boat. Great for holidays and family days out, the cabin is well laid-out and surprisingly spacious; there is a separate heads with toilet and shower and a small galley with hob / grill and fridge. Equally suited for use inshore or on the river, with low air draught, she sleeps four in two cabins and has a good-sized cockpit for entertaining, with a cleverly designed folding helm seat, an access door to the bathing platform and a concealed swim ladder. There is a full canopy and plenty of lockers.

Built in 2001, she is powered by a Volvo KAD32/DuoProp (170hp) supercharged turbo diesel, which gives relaxed cruising through a stern drive and a top speed of over 30 knots. A bow thruster is fitted, making her really easy to handle in tight situations. She has 4 berth accommodation, toilet & shower. Spec includes radar arch, GPS, VHF, speed & depth log, electric windlass, shore power socket, battery charger, immersion heater.

A great introduction to motor cruising.

SEALINE S24 FOR SALE £32,950

Year Built: 2001, LOA: 7.52 mts, 24'8" Draft: 0.94 mts, 3'1" Beam: 2.49m, 8'2"
