(Plymouth Branch)

ROSCOFF CHALLENGE 2017

CRUISING INSTRUCTIONS

Saturday June 24 June 2017

This year the Roscoff destination has been changed to a solo cruise Challenge event and is not included in the RNSA Single-Handed race series. The key details are as follows:

- **START.** The Challenge starts on a line due East of Duke Rock Buoy. You can start anytime, **between 0600 and 1800, starting on a whole hour** (eg 1100, 1500). Record your start time.
- **COMPLETE.** The Challenge is completed when you reach the **starboard fairway buoy (48 44.32N; 003 57.31W)** bearing 270 degrees true. Record your actual finish time in **BST**.
- To see who has conducted the most 'efficient cruise' your elapsed time will be multiplied by your boat's NHC base number. There will be a 'get together' in Roscoff at 1800 (normally Roscoff YC) on Sunday 25 June for skippers to discuss their cruise.
- The cruise will be sailed under the COLREGS.
- There is no entry fee.
- **Entry Form** overleaf.

ENTRY FORM

I would like to partake in the Roscoff Challenge.

I understand the Royal Naval Sailing Association (Plymouth Branch) is organising this Challenge event on the understanding that the Association or its representatives bear no responsibility for any loss or damage, injury or inconvenience to yachts or persons howsoever arising directly or indirectly from their rules policy, or rulings, during this cruise.

Single handed sailing by its very nature is a hazardous activity. The conduct of the vessel and the management of any risks is the sole responsibility of the skipper. The decision to partake in this RNSA organised single-handed cruise will include such factors as weather conditions, skipper's experience and suitability of the vessel for the anticipated conditions.

Signature Owners Name

Name of Yacht.....

Address

.....

.....
