11. **Safety.**

a. A boat is entirely responsible for her own safety, whether ashore or afloat and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else reduces this responsibility.

b. It is for a boat to decide whether she is fit to sail in the conditions in which she will find herself. By launching, the boat confirms that she is fit for those conditions and her crew is competent to sail and compete in them.

c. Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organiser's encompass everyone helping to run the race and the event and include the organising authority, the race committee, the race officer, patrol boats and beach masters.

³ Note Para 6 – registering your entry on the day of the race and hoping for an ASA 2000 dinghy to be available is a high risk strategy – you have been warned. Speak early (before 11 Sep 19) to Cpl Simon Horsfield, Chief Instructor, AISTC(S) to avoid the disappointment of not getting an ASA boat allocated to you.

- d. The provision of patrol boats does not relieve the boat of her responsibilities.
- e. Personal buoyancy shall be worn by all competitors whilst afloat. Those using trapeze boats are strongly recommended to use quick release harnesses.
- f. Those entering personal equipment are required to hold adequate insurance and in particular to hold insurance against third party claims in the sum of at least £2M.

12. **Messing and Accommodation.** All personnel should be aware that catering facilities at AISTC(S) are available through the Regimental Restaurant on a Pay as you Dine basis. Accommodation in AISTC(S) is available by prior arrangement with the AISTC(S) Centre Manager (Maj Jed Cunningham) on 01243 388315 or by email at sailarmy@btconnect.com.
