

Portsmouth Offshore Group are delighted to invite members and guests of Gosport Cruising Club and Royal Naval Sailing Association to join us at our club house for a social evening which will feature a talk entitled:

The Miracle of Dunkirk

The 80th anniversary of the evacuation of Dunkirk is next year. So nearly a major disaster but success won from tragic circumstances. 338226 British and French Troops rescued and a further 191870 recovered from Calais to Spanish Border over the next two months.

To present this talk we are proud to welcome Terry Corner, Rear Commodore RNSA.

Terry has delivered a programme of talks including this one professionally, and we are looking forward to welcoming as many guests as possible to what promises to be a very enjoyable evening
